e-mail _____

Identity Document _____

This release modifies the use of the e-bikes owned by EBIKING, hereinafter the "manager" for the benefit of the following "user".

- 1. At the time of delivery of the bicycle, the user and the manager (or his delegate) will verify the state of functionality of the same. Taking delivery of the bicycle, the user recognizes it mechanically efficient and declares to have checked it beforehand.**
- 2. The bicycle must be used exclusively as a means of transport and must be treated with care, common sense and diligence; Competitions, reckless maneuvers and performances of any kind are prohibited. The user must use the vehicle in such a way as to avoid damage, both to itself and to its accessories.**
- 3. The user must comply with the rules of the road code, which he declares he knows. Ebiking declines all responsibility in the event of improper use of the vehicle and failure to comply with the rules of the road code.**
- 4. The use of the bicycle presupposes the physical fitness and the technical expertise of those who intend to take it. Therefore the user using the bicycle declares to be equipped with adequate capacity and appropriate competence, without placing any reservation.**
- 5. Any fact, damage or injury resulting from the circulation and use of the bicycle is attributable to the user only. The user is therefore responsible for damage caused during use of the vehicle to himself, to third parties, to things and to the bicycle. No compensation can be requested at Ebiking.**
- 6. In the event of damage and / or breakage caused to the rented vehicle, except for punctures, the user must pay the damages caused which will be quantified by the manager with the support of the Ebiking technical personnel at the time of delivery of the vehicle.**
- 7. The use of bicycles is reserved for adults unless the minor is accompanied by an adult who assumes full responsibility in writing.**
- 8. The user immediately authorizes the operator to publish images on the internet, social media, during the use of ebikes.**
- 9. The manager may refuse to rent the bicycle to persons not considered capable of driving it (in accordance with articles 186 and 187 of the Highway Code) or for other reasons and in any case at the discretion of the operator.**
